

## Ilija Radivojević

Front End Developer

[ilija.radivojevic237@gmail.com](mailto:ilija.radivojevic237@gmail.com) • [ilijaradivojevic.com](http://ilijaradivojevic.com) • [github.com/IlijaRad](https://github.com/IlijaRad)

Front End Developer who loves to build experiences that help people do what they couldn't do before. I love using and learning new technologies and techniques and feel most fulfilled when using my skills to do so. Able to push forward and improve daily.

## Work Experience

---

**Medior Front End Developer** (Quantox Technology d.o.o, Remote) Dec 2021 – Present

Developed a front-end for an app with 60k+ users from scratch, worked on both internal and external projects

- Reviewed the requirements for the application and the interface designs
- Actively participated in daily meetings and planning sprints while trying to come up with best solutions and time estimates for problems
- Transformed Adobe XD and Figma designs into responsive UIs
- Worked closely with Project managers, UI/UX designers, QA testers and back-end developers
- Communicated with back-ends using RESTful APIs
- Taught myself new technologies on the fly such as Storybook, SWR, Typescript

**Web Developer** (Freelance work, Remote)

Oct 2020 – Nov 2021

Built websites for small businesses and projects for students

- Built a website for a small gardening business using HTML, CSS, PHP, phpmailer
- Built a static brochure wordpress website for a small store that sells fishing equipment
- Built websites for college student projects using HTML, CSS, PHP, JQuery, Javascript, Wordpress, React, Node, Express, MySQL, PostgreSQL
