Ilija Radivojević

Front End Developer

ilija.radivojevic237@gmail.com • ilijaradivojevic.com • github.com/IlijaRad

Front End Developer who loves to build experiences that help people do what they couldn't do before. I love using and learning new technologies and techniques and feel most fulfilled when using my skills to do so. Able to push forward and improve daily.

Work Experience

Front End Developer (Quantox Technology d.o.o, Remote)   Dec 2021 – Present
Developed a front-end for an app with 60k+ users from scratch, worked on both internal and external projects

- Reviewed the requirements for the application and the interface designs
- Transformed Adobe XD and Figma designs into responsive UIs
- Worked closely with Project managers, UI/UX designers, QA testers and back-end developers
- Communicated with back-ends using RESTful APIs
